

LIMITED WARRANTY

INNOVAIR INVERTER AIR CONDITIONING AND HEAT PUMP CENTRAL DUCTED UNITS

This heating or air conditioning unit is warranted by Innovair Corporation to be free from defects in materials and workmanship under normal use and maintenance as described below:
All Warranty begins on the date of installation. If date of installation cannot be verified then warranty begins 60 days after the date of manufacture.

All Warranties applies to:

Innovair warrants that all compressors and internal components incorporated into the Product at the time of shipment shall remain free from defects in workmanship and materials for ten (10) years from the Commencement Date as defined below:

- For Products installed in newly constructed homes: date of home purchase by homeowner from builder.
- For Products installed in existing residences: original date of installation.
- If the above two cases cannot be verified: 90 days from the date of manufacture (as designated by the serial number on the unit).

This limited warranty applies only if:

- 1) The unit is properly registered with Innovair within 60 days after the original installation*.
- 2) The product is installed in an owner-occupied, single family residence.
- 3) The product remains in the original installation location.
- 4) The product is installed by contractors who are licensed HVAC professionals and in compliance with all local, state and provincial laws.
- 5) The product is installed, maintained and used in accordance with the manufacturer's recommendations as outlined in the Installation and Use & Care manuals.
- 6) Defective parts must be returned to the distributor for credit.

*If a product is installed in a newly constructed home, the installation date is assumed to be the date of purchase. If that date cannot be verified, the warranty period begins 90 days from the date of manufacture.

This Limited Warranty Statement applies only to systems that are properly installed by a state certified or licensed HVAC contractor, under applicable local and state law in accordance with all applicable building codes and permits; and operation instructions and good trade practices.

Product(s) can be registered by visiting the Innovair Corporation website at www.innovair.com

Limitation of Warranties: ALL IMPLIED WARRANTIES INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, ARE LIMITED TO THE DURATION OF THIS LIMITED WARRANTY.

Some states and provinces do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. The express warranties made in the limited warranty document are exclusive and may not be altered by any dealer, distributor or other persons whatsoever.

FOR ANY INCIDENTAL OR CONSEQUENTIAL PROPERTY DAMAGE, INNOVAIR SHALL NOT BE HELD LIABLE.

For residents of states and provinces that do not allow the exclusion or limitation of incidental or consequential damages, the above exclusion may not apply to you.

This warranty does not cover

1. Failure or malfunction resulting from improper or negligent operation, accident, abuse, freezing, electrical imbalance characteristics, misuse, unauthorized alteration, incorrect electrical supply, electrical surges, or improper installation, repair or maintenance. See the Installation Instructions for installation, operation and maintenance information.
2. Use of components or accessories that are not compatible with this unit.
3. Damage or repairs resulting from faulty installation, application, maintenance, abuse or unauthorized alteration of the product.
4. Failure or malfunction resulting from any conditions within the structure, including mold and/or mildew and/or any chemical or toxin secreted there from or damage resulting from mold, fungus or bacteria.
5. Products installed outside the United States or Canada.
6. Parts not supplied by Innovair or damage resulting from the use of parts not supplied or designated by Innovair.
7. Failure or malfunction resulting from a contaminated or corrosive liquid supply, the addition of unapproved chemicals, operation at abnormal temperatures, pressures or flow rates, opening of the refrigerant circuit by unqualified personnel or any attachment, accessory or component not authorized and approved by Innovair. See the Installation Instructions for installation, operation and maintenance information.
8. Changes in the appearance of the unit that do or do not affect its performance.
9. Products not installed in accordance with federal efficiency standards as issued by the Department of Energy.
10. Failure or malfunction due to misapplication or faulty building design or construction, including inadequate refrigerant levels, condensate drain, refrigerant line design or installation.
11. The cost of labor, shipping, or material charges or damages that may result from transportation, installation, or servicing.
12. Any cost related to the replacement, refilling or disposal of the refrigerant.
13. Products on which payment to Innovair is or has been in default.
14. Increase in fuel or electric cost.

This warranty give you specific legal rights, you may also have other right which vary from state to state and province to province.
