

# SNIPS, SHEARS, SCISSORS & SNIP ACCESSORIES

## Metalmaster® Compound Action Snips

The non-slip serrated jaws of Wiss Metalmaster snips are made of tough, wear-resistant molybdenum steel to provide the durability demanded by the compound lever action and to withstand the severe strain of cutting heavy stock or tight curves. The handles are formed of special high strength steel and have a margin of strength far above the amount of hand pressure that can be applied.

Item#	Description	Overall Length inches	Length of cut inches	Recommended max. capacity low carbon cold rolled steel	Shelf Pack Wt. lb.	Shelf Pack
820001	M-1R - cuts left from tight curves to straight-red grips	9-3/4	1-3/8	18 Gage Steel - 0.049"	5.25	6
820004	M-2R - cuts right from tight curves to straight-red grips	9-3/4	1-3/8	18 Gage Steel - 0.049"	5.25	6
820007	M-3R - cuts straight (or wide curves left or right in light stock). Accomplishes most metal cutting requirements of the home craftsman. - yellow grips	9-3/4	1-1/2	18 Gage Steel - 0.049"	5.25	6

## Metalmaster® Special Series Snips

Metalmaster special series snips utilize a hardening process designed for unusual industrial requirements such as cutting today's space age metals, like inconel, stainless steel and titanium.

Item#	Description	Overall Length inches	Length of cut inches	Recommended max. capacity low carbon cold rolled steel	Shelf Pack Wt. lb.	Shelf Pack
820014	M1R-S1 - Cuts left - Blue Grips	9-3/4	1-3/8	18 Gage Steel - 0.049"	84	6
820015	M2R-S1 - Cuts right - Blue Grips	9-3/4	1-3/8	18 Gage Steel - 0.049"	84	6

## Metalmaster® Compound Action Bulldog Snips

This snip is designed for notching or trimming extra heavy stock.

Item#	Description	Overall Length inches	Length of cut inches	Recommended max. capacity low carbon cold rolled steel	Shelf Pack Wt. lb.	Shelf Pack
820018	M-5R - Red Grips curves to straight-red grips	9-1/4	7/8	18 Gage Steel - 0.65"	4.38	6

## Metalmaster® Offset Snips

Offset blades keep the material being cut away from hands and allow straight or circle cuts to be made easily. The handles are color coded for easy blade identification; red grips circle left, green grips circle right.

Item#	Description	Overall Length inches	Length of cut inches	Recommended max. capacity low carbon cold rolled steel	Shelf Pack Wt. lb.	Shelf Pack
820010	M-6R - Red Grips circle left	9-1/4	1-1/4	18 Gage Steel - 0.049"	5.25	6
820011	M-7R - Green Grips circle right	9-1/4	1-1/4	18 Gage Steel - 0.049"	5.25	6
