Items in **RED** are Common Stock

Register boxes are designed to be used in conjunction with flexible air duct or round metal pipe. They install easily in the walls or ceiling.

### ADVANTAGES

Round or oval collars, low profile for easy installation, plaster grounds included. Deep enough to accommodate virtually any opposed blade diffuser or register. Can be insulated.

### CONSTRUCTION

All galvanized steel, stapled and spot welded for strength. One piece die formed with plaster ground to insure a square, air tight fit. 3 1/2" Deep
