They're always dribbling.
- **What did the march say to all the madness?**
What's all that bracket?
- **Why did the tourney team have a frog in the starting lineup?**

Because he could make jump shots.

- **What do you get when you drive quickly through the Miami Hurricanes campus?**
An undergraduate degree.
- **Why do Florida State Seminoles put a copy of their diploma in the window of their vehicles?**
So they can park in handicap spaces.
