

LIMITED EXTENDED PARTS WARRANTY

Midea Air Conditioning Central Air Conditioning (CAC). ("Midea") provides its air conditioning and products with a standard five-year parts warranty. This limited extended parts warranty is in addition to and is intended to supplement Midea's standard 5-year parts warranty. As such, this limited extended warranty provides for a total of 10-years of limited warranty coverage (Standard 5-Year Limited Parts Warranty plus Additional 5-Year Limited Extended Parts warranty).

EXTENDED COVERAGE

PARTS/COMPRESSORS

The covered equipment and parts are warranted by Midea for a total of **10 YEARS** (standard 5 Year Limited Parts Warranty) from installation, except as provided below.

HEAT EXCHANGERS

The covered residential heating equipment's heat exchanger is warranted by Midea for a 20 Year Standard Warranty from date of original installation.

This warranty applies **ONLY** to the original purchasing homeowner of the unit and **CANNOT** be transferred. If during the extended period, a covered part fails because of a defect in materials or workmanship under normal use and maintenance, Midea will provide a free replacement part to the original purchasing homeowner through a Midea Dealer or other licensed service contractor through an authorized Midea distributor. The original purchasing homeowner must pay shipping costs of the warranty part.

EXCLUSIONS

Labor, and the following components are expressly **NOT** covered by this limited warranty: cabinets, cabinet pieces, air filters, driers, refrigerant, refrigerant line sets, belts, wiring, fuses, and unit accessories, R-22 compressors, and any parts not affecting unit operation.

COVERAGE REQUIREMENTS

1. The unit is a Midea branded unit.
2. The unit is installed in a residential application, which is an owner-occupied single-family residence. No commercial applications are allowed;
3. **The unit is properly registered at (www.mideaac.com) with Midea Air within 60-days after the original date of installation.**
4. **To register follow the directions and complete the online warranty registration at (www.mideaac.com).**
5. The unit is part of a complete ARI matched system and installed by a state certified or licensed contractor in accordance with the unit installation, operation, and maintenance instructions provided with the unit.
6. Coils and air handlers are covered only when they are branded Midea Air. (Third party coils are not covered).

If this extended warranty does not apply, then parts are warranted for the standard warranty period of **5 YEARS** and all heat exchangers for **20 YEARS**.

This limited extended warranty does not apply to, and no warranty is offered by Midea, on any unit ordered over the internet. Proof of purchase may be required.

Any part replaced pursuant to this limited extended warranty is warranted only for the unexpired portion of the limited extended warranty term applying to the original part. The installation of replacement parts under the terms of this limited extended warranty does not extend the warranty period.

This limited extended warranty is an extension of Midea's standard warranty. **ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED IN DURATION TO THE TERM OF THIS LIMITED EXTENDED WARRANTY.**

Midea SHALL IN NO EVENT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED To DAMAGES TO PROPERTY.

Midea is not responsible for:

1. Damage or repairs required as a result of flood, fire, wind, lightning strike (to the home or unit), corrosive atmosphere, contact with corrosive material (Chlorine, fluorine, salt, recycled waste water, fertilizers or other damaging substances) or other conditions beyond the control of Midea.
2. Use of parts, accessories, or refrigerant not compatible with the unit;
3. Modification, change or alteration of the unit, except as expressly directed in writing by Midea.
4. Improper use, accident, neglect or unreasonable use or operation of the unit, including operation of electrical equipment at voltages other than the range specified on the unit
5. Operation with system parts (indoor unit, outdoor unit and refrigerant control devices) which are not ARI matched or do not meet the specifications recommended by Midea;
6. Damage or repairs required as a consequence of faulty or installation or application;
7. Normal maintenance as described in the installation and operating manual, such as cleaning of coils, filter cleaning and/or replacement and lubrication.
8. Changes in the appearance or sound of the unit that do not affect its performance.

The parties intend this writing as a final expression of their agreement with respect to warranties. Midea makes no other warranty beyond that which is expressly contained in this writing.

Midea shall not be liable for any default or delay in performance under this warranty caused by any contingency beyond its control, including the unavailability of replacement parts. This warranty gives you specific legal rights.

Steps for getting replacement parts under this limited extended warranty:

if you suspect a defect in your equipment, please contact the installer of the unit to obtain assistance. If unsuccessful, please contact a local licensed contractor.
