

444 Line Set Tape

Product Information Sheet

SKU/Product ID/Reference

444

Product Description

Line Set Tape for HVAC

Features and Benefits

- OPP Backing
 - Tough and durable
 - Hand tearable for ease of use
 - UV Resistant for outdoor installations*
- Acrylic Adhesive
 - Solvent-Free for reduced odor
 - Aggressive bond - won't flag or lift
 - Mold and moisture resistant
- Low VOC Content
 - Can contribute toward satisfying EQ Credit 4.1 (Low Emitting Materials) under LEED®

Regions Available

Global

Product Information

Adhesive Type	Acrylic
Carrier / Support / Facestock	BOPP Film
Gauge / Mil	3.0 mil
Liner Type	None
Operating Temp Range	-40 to 212 °F
Peel Strength / Adhesion to Backing (oz/in)	35 oz/in
Peel Strength / Adhesion to Steel	45 oz/in
Performance Category / Characteristics	Environmental Resistance UV Resistance
Tensile Strength	32 lb/in
VOC Content	<1 g/L
Color(s)	White Black Custom Color
Custom color(s)	Black - Printed
Product Construction	Single-Coated Tape
